

Polasaí Lón Folláin/Policy on Healthy Lunches

Déanaimid iarracht sa scoil cur ar chumas gach páiste a dhícheall a dhéanamh i gcónaí agus tá an bia ceart mar chuid lárnach den iarracht sin – don tsláinte agus don fhoghlaim ar scoil.

We in Gaelscoil Uí Riada encourage each pupil to reach his/her potential and a proper diet and healthy lifestyle are important factors in helping children to do their best in school and in life outside school.

This policy was prepared by members of the school community to encourage and support health and healthy eating among pupils and other members of the community.

For some time, the school has discouraged certain foods, but this policy tries to give an overall context for healthy eating. The policy is supported by the school staff, the Board of Management and the Coiste Tacaíochta.

Ba chóir do thuismitheoirí a bheith aireach agus bia 'folláin' a roghnú.

Parents should be aware that certain foods advertised as 'healthy' may not be quite so healthy.

Iarraimid ar thuismitheoirí cloí leis an bpolasaí mar tá sé tabhachtach don pháiste go mbeadh an teachtaireacht chéanna ag teacht ó bhaile agus ón scoil maidir le 'Lón Folláin'.

We would request that parents adhere to the Healthy Lunch Policy as it is important for its successful implementation that children get support both from home and school.

Mar chuid den iarracht chun gearradh siar ar bhruscar agus cabhrú le comhshaol glan, b'fhiú do thuismitheoirí fiosrú a dhéanamh maidir le lón a chlúdach gan an iomad foil ná plaisteach a úsáid.

As a way of reducing waste and reusing material, parents are asked to be mindful of the packaging of lunches and to avoid overuse of plastic or foil wraps where possible and to avail of containers or re-useable ziplock bags.

Deirtear gur é an bricfeasta an béile is tábhachtaí sa lá. Cabhróidh sé go mór leis an obair scoile má tá bricfeasta ceart ite ag gach páiste.

Breakfast is considered the most important meal of the day. Ensuring that your child has a proper breakfast before school will benefit him/her in school and make the presentation of a healthy lunch more meaningful.
